CLOSE RANKS WITH THE FIGHT OF COMRADE LAURA AND THE LEFT WITH PEOPLE'S WAR IN THE MAIN REGIONAL COMMITTEE[1]

We close ranks in the fight being waged by Comrade Laura and the entire left with people's war, wielding the BUP,[2] Gonzalo Thought, which in essence is: people's war until communism, which they are imposing in the Main Regional Committee (CRP) of the Party as part of the General Reorganization of the Party. Step by step, solid foundations are being laid, preparing for a leap forward in party work and the development of the people's war.
